 So we are starting a lottery for Texas. \$5 a bet anywhere and what date Biler will getthe shit kicked out of him by one of the "haters". We will pay double if someonee Le does it, 4x if a hater does it, and 10 x if Biler is put in the hospital, or morgue!!! Come on its just \$5 a ticket, I think we can get Ms p to sock the money under her biarra.

**Freedom Fighters For Families**  
 has asked **Alford** for assistance. They are working with an attorney who is working a case that will establish CASD LHW. So we have been asked to post the criteria they are needing to establish a pattern for this particular suit.  
 1. Was the case in Park County?  
 2. Were the children removed WITHOUT a court

God strength to you Bill!!! Hang in there... for there are many... many people praying for you while you are on this journey I pray personally that HE places a powerful hedge of protection around you and keeps you safe and strong so you can carry out this message of corruption in our court system. This is a powerful evil entity we are up against but all things are possible with God on our side
