them her friend Lynn picked up for her having told the said nothing that was either on the order of a lie or a sock. So Bill then lashed out at her saying all kinds of sexist and delectual things. Bill asked for stories about raps, but instead he exposed himself as being a liar and a perverted fraud.

- Lawless America: Lynn you are a liar and a slanderer. Go away. Cease and desist be sardier and stalking. I have helped many this victims not you fans. No one named Lynn Bass has ever emailed me nor is there a Lynn Bass in my database. You are one of the pathetic liars out there.

- Lawless America: I am asking anyone with information about Jan Hally, or Lynn Bass to contact me. I want to expose these people.

- Lawless America: No. Anoth Cunningham. Lynn Bass never emailed me anything. She appears to be a serial liar, as you likely are. You say you know well, put up or shut up. Pass the proof right here for all to see. I want to see you for an hour to give you the opportunity. You have lied to me with your comment here, so I demand an immediate apology and retraction. Absent that, I shall see you in court.

- Lawless America: I didn't lose a damn thing. You are a libeler, slanderer, and liar, and your associates are the same. You aren't in my email or database either -- just another sock mag in my opinion. You have 50 minutes. Show us the proof you ha-ve "right here on your computer".
