I've invited Claudine Dombrowski to meet me at the Topeka Kansas Police headquarters on the 17th at 8 pm. I doubt that she will make it as I believe the members of the so-called American Mothers Political Party only come out at night

So Bill tried to go on a real reporters story on rape and incest. Bill used it as an opportunity to seek out people to tell him their stories involving rape and incest. He can no longer be bothered by women with custody issues, but he is more than happy to hear a detailed sordid story of rape or incest. He sent out this plea:
DO YOU HAVE A STORY OF SPOUSAL RAPE OR INCEST?
I am communicating with a newspaper writer who is researching a story on spousal rape and incest. He is particularly interested in speaking with survivors whose abuse allegations were handled either in criminal or family courts. If you would be interested in sharing your story, please email nobodies@att.net with the subject in all caps: RAPE. Well this started a fire-storm as one woman named Jan, rightfully gave the direct contact info to the real reporter doing the story, telling the lemmings to bypass the creepy old man trying to get in the middle. Bill then lashed out at her Lawless America Hey Jan, go away. You must be one of the sickos.

Bill Windsor Sexual Deviant, Homeland

Handwritten initials 'KS' inside a hand-drawn circle.

Well this started a fire-storm as one woman named Jan, rightfully gave the direct contact info to the reel reporter doing the story, telling the lemmings to bypass the creepy old man trying to get in the middle. Bill then lashed out at her Lawless America Hey Jan, go away. You must be one of the sickos.

Then her friend Lynna stuck up for her saying that she said nothing that was either on the order of a liar or a sicko. So bill then lashed out at her saying all kinds of sexist and delusional things. Bill asked for stories about rape, but instead he exposed himself as being a liar and a perverted fraud.

• Lawless America Lynn, you are a liar and a slanderer. Go away. Cease and desist: the slander and stalking. I have helped many true victims not you liars. No one named Lynn Buss has ever em ailed me nor is there a Lynn Buss in my database. You are one of the pathetic liars out there.

54 minutes ago

• Lawless America I am asking anyone with information about Jan Halley or Lynn Buss to contact me. I want to expose these people.

31 minutes ago

• Lawless America No, Ardith Cunningham, Lynn Buss never emailed me anything. She appears to be a serial liar...as you likely are. You say you know. well, put up or shut up. Paste the proof right here for all to see. I won't ban you for an hour to give you the opportunity. You have libeled me with your comment here, so I demand an immediate apology and retraction. Absent that, I shall see you in court.

30 minutes ago

• Lawless America I didn't lose a damn thing. You are a libeler, slanderer, and liar.
